Centre of Academic Excellence
Since 1992

The Chartered Institute
of Procurement and
Supply (CIPS)

Program Description

The Chartered Institute of Procurement and Supply (CIPS) exists to promote and develop high standards of professional skill, ability and integrity among all those engaged in purchasing and supply chain management.

As a profession, procurement and supply is increasingly being seen as a strategic business discipline. It is highly recognized for the enormous contribution it makes to public and private sector organizations, in terms of value extracted for money spent and is pre-eminently well equipped to represent and serve the interests of all those involved in this rapidly developing field.

CIPS qualifications are widely regarded as an international benchmark of excellence, enhancing standards of professionalism and performance throughout procurement and supply.

Career Opportunities

With CIPS qualification, one can work as; A Procurement officer, Logistics manager, Inventory control manager, Supply Chain manager, Purchasing officer among others.
