APPROVED LEARNING PARTNER – ACCA

The Association of Chartered Certified Accountants (ACCA)

Programme Description

ACCA has a global reputation of producing professionally qualified accountants of high calibre. It offers accreditation for those who wish to become accountants, auditors and finance managers.

The ACCA Qualification develops the strategic, forward-thinking professional accountants the world needs. The programme equips you with market-leading blend of technical, ethical and professional skills.

ACCA will take you through a combination of exams, experience and ethics. The Practical Experience Requirement (PER) allows you to prove your effectiveness in the workplace. Ethics and Professional Skills module develops the full range of advanced ethical and professional skills making ACCA the only professional body that incorporates Ethics.

Entry Requirements

- KCSE: Mean grade C+ with a C and above in both Mathematics and English
- IGCSE: Must have both O and A level certificates with passes in both English and Mathematics at O levels and 2 principle passes at A levels.
- CPA Part 1 holders

OR

- A degree from a recognized University
- Foundation in Accountancy Course.
- Any other relevant qualification approved by ACCA.

Duration

The programme takes 2.5 to 3 years to complete.

Career Opportunities

With ACCA qualification one can work in the field of; Financial Accounting, Management Accounting, Auditing, among others.

Programme Structure

Knowledge (6 months)

- K1 Financial Accounting
- K2 Management Accounting
- K3 Business Law

Expertise (1 year)

- E1 Taxation
- E2 Financial Reporting
- E3 Audit, risk and control
- E4 Finance and investment
